IN MEMORIAM

Last summer San Dieguito High students unbelievably received the news of the tragic death of their friend and schoolmate, Dieter Amtmann. Although he is no longer with us, Dieter still lives on in our minds and hearts.

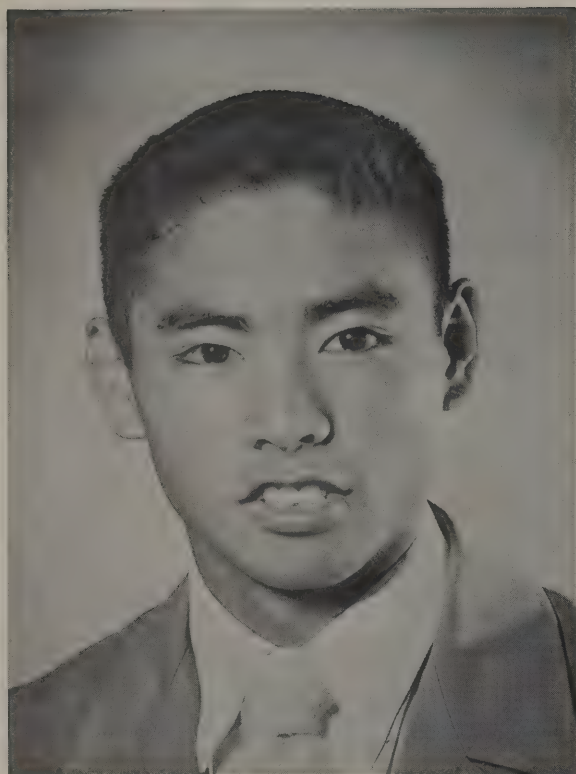

Everyone at SDUHS, whether a friend or just a classmate, knew Dieter as a good student and a gentleman. He was noted for his good manners and friendliness.

Few students will ever be of his high caliber. San Dieguito will find it hard to forget him.

Here I am again, folks. This is "Whiz" Binns, your world reporter for the N. Y. Times. Among my mountains of fan mail, there have been numerous requests from my fellow grads from San Dieguito to find out the "latest" on everybody. I appreciate the mail, folks, so here are the details of my last year's World tour. My editor, **Yukio Hamada**, sent me a thought-a-gram that told me my most important assignment was covering the 1971 Olympics. As they were being held in Egypt, I had lots of time to explore my old European haunts. My last scoop before sailing time was the news that **Barbara Weinberg** had just been voted "Most Glamorous Grandmother"—she was thrilled! ! ! The luxury liner had everything. I was met at the gangway by the lovely hostess, **Louise Brine**. She showed me to my luxury room. I was so happy, knowing I wouldn't miss my favorite T. V. program "Superhumanman" starring **Dick Templin**. It was a pleasant crossing, and I met some old friends: **Aiko Yoshida**, who was on her way to the Riviera to live on the royalties from her revolutionary new hair dye; and **Ron Pierson**, who was also going to cover the Olympics. He told me that **Gail Coleman**, head of the F. B. I. was hot on the trail of trading stamp counterfeiters (**Bad Bill Walton**, **John Grisct**, and **Mel Brauer**). Just as I was about to get off the boat in England, a blue missile streaked overhead and disappeared into space. It was the first rocket to go to the moon. **Marlin Matlock** was at the controls with **Angie Amador** as his only crew member. Brave Souls! I hope they make it. In London the Homemakers of the World were having a convention; **Sally Dillemath** had just been elected "Miss Homemaker of the World." **Elma Jo Hungate** was there trying to get the "World Home-making Seal of Approval" for her latest invention, "The Jiffy-dandy Atom Smasher" (for home use). I had just enough time to see **Joe Hill** do his famous clown act at a command performance at the Palladium before my departure for the continent.

After arriving in Paris, I went straight to my favorite European landmark, the Eiffel Tower. There, taking notes on this beautiful structure, was **Chris Renn** and a class from his Girls' School of Architecture. After getting settled in my hotel room, I was off to a showing of **Madame Nimi Pourade's** newest creations. **Judy Daniels**, the Paris buyer for **Bergdorf-Goodman** had a place for me, and the fashions were delightful. **Myra Hart** and **Rosemary Smith**, the two top models, invited everyone to dinner at Maxim's right after the showing. We hailed a cab for Maxim's, and (of all things!) the driver was **Ed Hadfield**—speaking French like a native! ! When we finally arrived and were being seated, **Doris Rouse**, **Doris** and **Shirley Mondt** were doing their famous acrobatic dance. The guest of honor was the famous

distillery chain owner **Danny Mason**, in town to purchase some vintage champagne. The music was supplied by **Tom Carter** and his group, consisting of **Bill Hunt**, **Jim Perkins**, **Bob Redeker**, and **John Jordan**. **Suzette Wilks** stole the show with her torch songs. Our tempting main course (marinated truffles and sauteed snails) was served personally by the head chef, **Ted Sayle**. As dawn neared, our hosts, **Bob Francisco**, Millionaire playboy, and **Jim Hickey**, Texas oil man bade us fond farewell, and I boarded my plane for Sweden.

I went to Sweden only to see my old friends **Betsy Cooper**, **Bobbie MacFall**, and **Ron Samuels** who run a successful charm school there.

My next stop was in Vansylvania where the U. S. Goodwill Ambassador, **Audrey Wright**, was doing a marvelous job of pepping up the people and keeping the spirit high.

From Vansylvania I meant to go to Poland, but I caught the wrong train and arrived in Switzerland instead. All was not lost though, because I was able to take a few ski lessons from one of the instructors. **Wilma Roe**. Also in Berne, the world renowned surgeon, **George Ennis**, was performing the most difficult operation of his career—the removal of Max Essex' brain for study by the Royal Society headed by **Peter Carpenter**. I was only in Switzerland three days when my paper sent a wire ordering me to Poland to check on the underground work being done there. I was to meet **Joyce Eveland**, our foreign correspondent, there. At our secret meeting place, she told me she had everything under control and that the "Polish Rose," **Ann Rosenbaum**, and her partner **Bill Darby** were getting information through to **Grace Misner** and **John Rice**, both disguised as ballet dancers with no difficulty. All that foreign intrigue was exciting, but the Olympics were almost under-way and I had to catch my Mediterranean pleasure cruiser for Egypt. **Betty Bacon**, multi-million-dollar chewing gum heiress, met me at her private pier on the Riviera, and we took off in her \$3,000,000 yacht. We were about half way across the beautiful, blue Mediterranean when we heard a deafening roar. We looked back and saw that we were about to be run down by **Bill Owens** on his turboprop surfboard. He didn't hit us, however, but pulled up along side to tell us that the Olympics had already started; **Bob Reyna** had won the tiddly winks championship.

The first victory for the U. S., and we had missed it! ! We speeded up and were met at the dock by the official welcomer **Jerry Anderson**. He rushed us to the **Cecil Gill Stadium**, named for the Commander-in-chief of the U. N. army. Right inside the gate, **Carole Biddle**, popular cover artist for Postage Magazine, was making a rough sketch of **Takashi Fujimoto**, top jockey of 1971, astride Streak-away, the

PROPHECY

magnificent thoroughbred owned by **Nancy Bruun**. As we were being seated, **Bill Burton** had just put his aluminum shot 65 ft. to shatter the world's record. Things were happening at lightning speed—the Hockey team, led by **Mary Taylor** and **Carol Adam**, went out onto the field—the weight-lifters, **Jay Fuller**, **Bob Hunter**, and **Richard Salbato** started warming up—**Addison Carr** and the rest of the basketball team hustled out onto the indoor courts—our champion miler, **Phil Shackley**, was being escorted to the track—and finally **Virginia Bell** started her record-breaking stay on the higher flag pole in the stadium. Well, folks, you know how the 1971 Olympics ended. There were lots of victories all around; but most important, more international good-will was spread and after all that's what really counts.

My next assignment was to cover the tests of the **Gillihan Go-Bomb** driven by **Arlene Andrachik** through the Gobi Desert. I couldn't see much of it as it whizzed by at 428 m.p.h. but it seemed all right, I guess.

From there, I traveled to the East on a camel driven by **Karen Scott**. In India I found **Judi Scoville**, a snake-charmer, being harangued by **Patt Painter**, President of the Society for the Prevention of Cruelty to Cobras.

As my time was limited, I was reading a magazine in which **Kay Sherman** posed for a "Dream" shampoo ad and **Mary Graciano** smiled for a "Foamy" toothpaste ad when we almost capsized **Allan Lauer's** little raft. He was paddling to the Philippine Islands to join **Bill Wilson**, **Dave Swaim**, and **Phil Thorpe**, in their study of bongo technique. We dropped off supplies for a Cambodian missionary, **Vernon Hansen**. Over the ship's wireless, we heard that **Gary Frank** was trekking deep into the wilds of Borneo to find the legendary carnivorous carnation. **Mike Dunham** was waiting for the serum for his ailing Koala Bears when we docked at Melbourne, Australia. From Melbourne I took a plane to Tokyo to interview **Elvis Gooding** who was taking Japan by storm. He told me he had learned to play the guitar from **Lois Jancsi**, who now runs a Mambo school in the Fiji Is. I had to make a long hop from Japan and go to Alaska to cover a U.S.O. tour featuring **Janice Eckman**, **Betty Moore**, and **Karlene Whitt**. While I was there, I met friends of my early writing days, **Paul Deleon**, editor of "Mad," and his assistant, **Fred Nunez**, trying to sell subscriptions to the Eskimos. After a short sojourn in Nome, I was on my way to Hollywood to cover the premier of "Flaming Desire" starring **Doug Duke** and **Jan Tober**. It was good to get back to the States again. I recognized one of the border officials, **Betty Hart**.

I found that many San Dieguitoans have gone

"Hollywood." **Cathy Anderson**, **Sandy Jolly**, **Marilyn Rhodes**, and **Barbara Wienczek** are chorus girls at the Macomba where **Danny Fouik** is the featured crooner. **Mike Tucker** is wrestling **Barton Peterson** at the Legion Stadium. **Stan Tullsen's** new T. V. show is a smash with the talents of **Haruko Ito** at the organ, **Sharon Meyers** (Best Dressed Woman of 1971) in the "Fashion Corner," and **Sandy Smith** as his witty comedienne. **Bev Grottan** and **Lola Martinez** are operating a very popular secretarial school, while **Donna Davis** and **Marguerite DeGray** are managers of a Vic Tanny Gym. **Judy** and **Jo Johnson** are the models for their T. V. ads. Last but not least of our stage struck graduates is **Lowell Essex** who manages "The Hollywood." **Stan Fowler** was making history as quarterback for the L. A. Whams. **Carol Joan Coulter** is teaching Calculus at Berkeley.

Upon arriving in Encinitas, I found that many people had stayed on to improve the community. **Les Southworth** and **Armando Gonzalez** are both teachers at S. D. **Tom Leffingwell** is hard at work on the plans for the San Dieguito Dam. **Dick Waldo** is lifeguard at Moonlight Beach. **Dave Lotterer** has a huge 5½ acre cattle ranch behind Rancho Santa Fe. He expects big returns from the sale of his 7 steers.

Bob Lyman and **George Seckington** have fulfilled their life-time ambition—they're bathboys for the S. D. Padres.

Verelyn Miller is very happy, but plenty busy, with her 12 children. **Mary Lou West** is realizing her dream of studying art at the U. of Mexico. **Jim Gerlach** has been commissioned to paint a mural on the subject of Our Prosperous Land in his office. As I sat in the train on the last leg of my journey back to N. Y., I read about two up and coming inventors, **Vance Haddox** who had invented a device for removing bubble gum from around the mouth and **Jack Ugrob** who has devised a way to convert water into gasoline. The world needs more men like these!

Bob McLaren had also made the headlines by hitchhiking across the U. S. nine times in a row. In Kansas City, **Cammy Miller**, Governor of Wyoming, and **John Fisher** boarded the train. Times were hard for **John**; as a Dept. store Santa Claus, he found it difficult to get steady work.

I got to Washington, D. C. just in time to cover the installation of **Ed Shiloff** as a Supreme Court Judge. He looked regal in his black gown.

Finally, congratulations are in order to **Brenda Nigg** who has just won the jackpot on the \$64,000-000/00 Question.

Well, folks, that's all the news. I hope you enjoyed the tour. Keep sending in those fan letters, and I'll see you again sometime soon.

SPORTS

With the sounding of the last gun that ended the Escondido game, the Mustang Football Team completed their most successful season in six years. The team this year, by sheer will to win, accomplished something that San Dieguitoites have been waiting for a long time—namely a winning season. The fighting Mustangs (and they were really fighters this year!) hung up a 5 won, 4 lost record.

The season opened on a good note when the team traveled to San Jacinto and handed a tough Tiger eleven a 13 to 6 lacing. Bolstered by confidence from this victory, the boys were not to be denied against a fast Elsinore team. The final score read San Dieguito 28, Elsinore 6. After crushing the Army-Navy Academy, the Mustangs were waiting for their traditional foe, Oceanside. In a very hard fought game, in which Gail Coleman played one of the best games in S. D. history, the team tasted defeat for the first time by a score of 13 to 0.

As the season rolled on, it became more and more apparent that the improvement of such boys as Fred Drouillard, John Benvenuto, Stan Fowler, Frank Vargas, and Gail Coleman would insure our team of a good year. Coleman and Vargas, along with Bill Hunt, provided the team with a tough defense, and the tremendous power running of Benvenuto and the driving efforts of Drouillard provided the spark that ignited the offense to run up a

total of 1500 yards rushing during the season.

In the opinion of many, the Mustangs' best game was played against Mar Vista. The fine offensive and defensive work of the team enabled the underdog Mustangs to come out on top by a 20-12 score.

Part of the success of this year's team must be given to the fine leadership shown by the following Senior members: captain, Gail Coleman, Stan Fowler, Bill Hunt, Bill Owens, Phil Shackley, Douglas Duke, Yukio Hamada, Bob Lyman, Bob Francisco, and Bob Mitchell. Awards for outstanding performances were given to Gail Coleman and Fred Drouillard, both of whom were placed on the first string All Avocado League Team and to Frank Vargas and John Benvenuto who made honorable mention on this all-league team. John Benvenuto was also chosen by the coaches at San Dieguito as the most valuable player of the year.

The Mustangs started the season with a very impressive showing. They won their first five games. Mission Bay, their next opponent, broke the Mustang's back with a 73-35 wallop. The Mustangs couldn't seem to get back on their feet after that.

In the pre-season games the Mustangs won 7 and lost four. This includes two tournaments. In the Kiwanis Tournament the Mustangs won one and lost one. The win was over Julian 62-59. The loss was to Vista. In the other tournament held at Banning, the Mustangs won none and lost two.

Starting league play, the Mustangs were considered the team to beat, but it didn't end up that way. San Dieguito was dropped by Oceanside in the first league game with a score of 83 to 48.

In the second league game against Vista, the hoopsters from San Dieguito looked like they were coming back to their winning ways, however, being downed by Vista 51-45.

The Mustangs did, however, cause a 39-37 overtime upset over league-leading Mar Vista. That loss knocked Mar Vista out of the championship for the Avocado League.

Although the Mustangs ended up in last place for the second straight time, they gained a lot of experience. The team will only lose two seniors, Phil Thorpe and Addison Carr. There were three sophomores on the team this year. They were Mike Shores, Jim Mitchell, and Tom Rutherford. Also on the team were the Juniors Doug Bowen, Rich Lohf, and Garry Hennis.

The Mustangs didn't have a very successful year, but the hopes for a championship team look brighter for next year.

The over-all standings for the season was 10 wins and 14 losses.

TRACK

REVIEW OF THE TRACK SEASON: 1957

By displaying a great deal of talent and spirit, San Dieguito's Varsity Track Team pleasantly surprised Coach Ernest Zeno, who guided the varsity cinder squad to a 3 win, 5 loss campaign. Their record was 2-3 in league competition. (These totals do not include the totals of the Escondido meet.)

Although their record doesn't show it, San Dieguito did very well as a whole; for in the previous years, the squad won only one meet. Most of this year's team had graduated from the victoryless B and C squad, and only 4 or 5 had had varsity experience.

The Mustangs opened the season with a good showing in a losing cause against the strong Mission Bayers. The final score was $66\frac{1}{2}$ - $37\frac{1}{2}$. They lost their next meet also, by the score of 64-38, to powerful El Cajon. Their first victory took place over Chula Vista, 57-47, and it was well earned.

In league play San Dieguito lost to Oceanside, 56-48, bowed to Vista, $58\frac{1}{3}$ - $45\frac{2}{3}$, and took defeat from Coronado, $64\frac{2}{3}$ - $39\frac{1}{3}$. Had the Mustangs won the final event of the day, the relay, they would have beaten Oceanside, one of the strongest teams in the league. San Dieguito's victories in the league were those over Fallbrook 70 $\frac{5}{6}$ - 33 $\frac{1}{6}$, and those Mar Vista 58-46.

There were many outstanding competitors on this year's squad.

John Benvenuto, Dave Rightmer, a freshman, and Sonny Drouillard were the outstanding dashmen. Drouillard and Phil Shackley were tops in the 440. Kenny Cowin did a great job in the half mile, winning all but three of the eight meets in which he competed. Sophomore Ardin Wright also did a commendable job in the 880. In the mile Joe Graciano and David Gonzales were the top men. The high and low hurdles were handled by two juniors, Dave Medina

and Frank Vargas and they both did very well. Medina specializes in the highs and Vargas in the lows.

The field events had two big men. One was a shot putter who, out of eight meets, won seven. He broke the school record by four inches in one meet. He is senior Bill Burton who will be sorely missed by the Mustangs next year. The other man who was outstanding in the field events was Jens Morrison who, twice this year, won both the high-jump and broad-jump in one meet. Addison Carr headed San Dieguito in pole-vaulting, probably the Mustangs' weakest event.

San Dieguito's B squad went without a victory for the season. Standouts were: George Darrough and David Barajas, sprints; Darrel Lewis, hurdles; Al Thomas, shot; Robert Clemens in the high-jump and 1320; Dick Barnhart, 660; and Steve Bowman, pole vault and high-jump.

Shining C's this year were: John Martin, Mitchell, and Rightmer, sprints; Gunter Amtmann, and Irvin Gross, 660; Jim Fowler and Gaylord Odle, low hurdles and broad-jump; Stan Estrada and Martin, shot; Ricky Montez, high-jump and hurdles; and Ivan Wood and Estrada, pole vault.

The C's broke three school records—the 440 relay, the shot by Estrada, and the 100 by Rightmer.

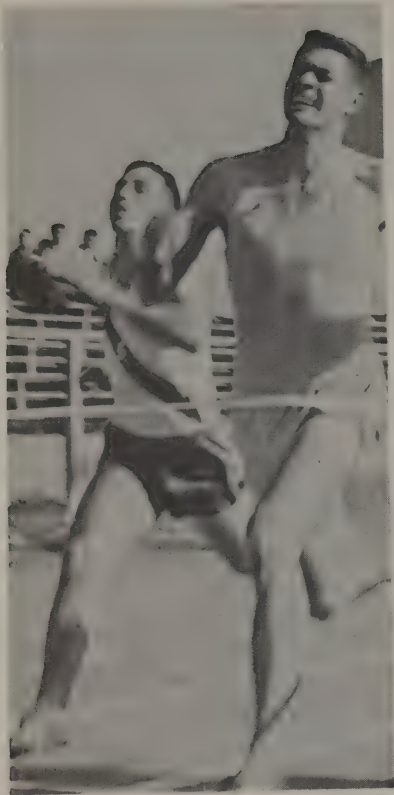

Next year Coach Zeno, in his second year at San Dieguito, will have the majority of this year's squad back. Graduating this year will be Shackley, Burton, and Carr. Some of this year's stars returning will be Benvenuto, Drouillard, Medina, Vargas, Morrison, Graciano, Gonzales, Wright, Mitchell, and Rightmer. With these boys and many more from the B's and C's, San Dieguito has a bright future ahead.

VARSITY BASEBALL—Row 1, G. Seckington, Y. Hamada, D. Couser, B. Reyna, M. Matlock, E. Pallercno, S. Thomas; Row 2, G. Frank, S. Fowler, C. Lyman, R. Salbato, R. Allen, B. Alto, Mr. D. Crickmore (Coach).

Desire and Hustle. Those were two words that were synonymous with the 1956 Mustang baseball team, which won the Avocado League championship last spring. With that desire and hustle the San Dieguito nine battled all the way to the SCIF finals.

History again repeats itself, for the words, desire and hustle, play a big part in the success and failure of this year's team. Even while this Hoofprint is going to press, the 1957 Mustangs are heavy contenders for the Avocado crown.

Of course, this year's squad sorely misses the five seniors from last year's team, as well as Greg Arnett, who was lost to a knee injury. The five seniors were Bud Biddle, Wayne Nakagawa, Ben Corrales, George Van Es, and Chuck Salbato. The graduation of these five left a huge gap in the Mustang lineup, but the gap has been filled in by new and capable replacements.

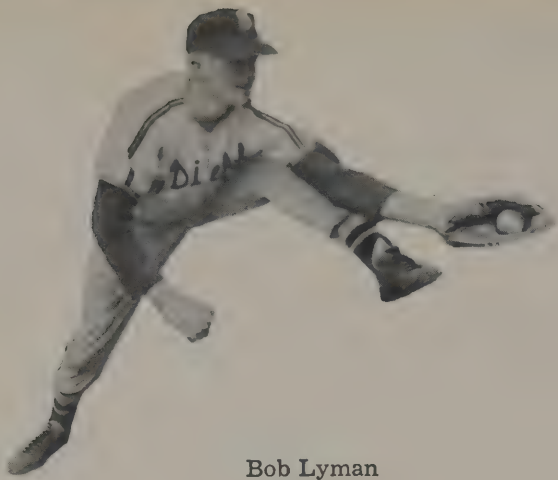

A bright spot in the Mustang picture is the fact that they have seven lettermen from last year's championship squad. The returnees welcomed back by Coach Don Crickmore are Rich

Salbato, George Seckington, Marlin Matlock, Bob Reyna, Bob Lyman, Ben Alto, and Yukio Hamada. With the exception of Alto, all the lettermen are seniors this year. Richard Salbato, a mainstay on the S.D. pitching staff, can be the difference between a championship and second or third place. George Seckington and Marlin Matlock are another pair who have greatly helped the Mustang cause.

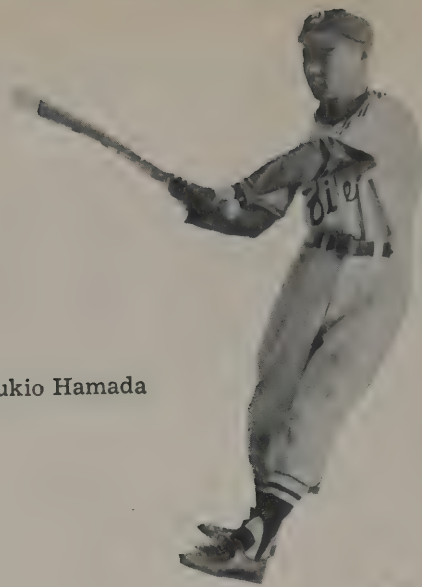

This spring San Dieguito has six newcomers on the roster, and they have performed much better than was anticipated. Stan Fowler, one of these newcomers, has played sparkling ball for the Mustangs at second base, while Ernie Polloreno, another newcomer, has done equally well in the outfield and on the mound for the Mustangs. Other new faces are Chuck Lyman, Richard Allen, Richard Couser, and Steve Thomas, all of whom have helped the Mustangs.

Thus far in the season, hustle and spirit have been high for San Dieguito. If this hustle and drive is kept up, SDUHS can expect another good year from the Mustang horsehiders.

J V FOOTBALL

Row 1. R. Allen, F. Drcar, D. Rightmer, F. Cable, R. Barnhart, S. Bowan, G. Darrough; Row 2, Mr. Fowler, G. Price, T. Garcia, R. Gierat, B. McCullough, G. Brazell, E. Shull, M. Escobedo, R. Castro, Mr. Putnam; Row 3. S. Romaine, A. Thomas, B. Prah, F. Rodriquez, S. Hernandez, S. Estrada, B. Hunter, F. Mannen; Row 4, D. Burnett, R. Montez, M. Stapley, G. Odle, J. Fowler, R. Salgado, J. Daniels, B. Griffith, C. vimmerman, G. Zimmerman.

The strong fighting spirit of the Varsity Football Team was reflected in the Junior Varsity Team this year. Inexperience and nervousness resulted in an erratic offense, but this team put up a very strong defense all year. Under the leadership of Captain Richard Allen and Most Valuable Player Steve "Rughead" Bowman, these boys showed a willingness to work and a strong desire to learn. At the end of the season they were as strong as any team in the league.

"B" BASKETBALL

Row One: T. Philips; D. Jolly; R. Bissonnette; J. Fleming; M. Devany; S. DeWees; Row two: R. Douglas; R. Montes; T. Matsumoto; B. Stillman; A. Jancsi; Mr. Wilkins, Coach.

Although lacking the height and experience of most of their foes, the San Dieguito Colts were always hustling and playing heads up ball. In twenty games San Dieguito won four, three in league play. The one pre-league victory was over La Jolla, 29-23. Two of the Colts victories were over Mar Vista, 36-32 in the first game and 38-33 in the second. Vista was their other victory, falling 39-30. With a league record of 3 wins and 9 losses the colts finished in a tie with Vista for fourth place.

For his great play on offense and defense, Harold Johnson richly deserved the awards of "Team Captain" and "Most Valuable Player."

Johnson was the big offensive gun for the Colts. He led the team in scoring with 147 points, held goals with 49 and free throws with 49. Jerry Fleming, runner up to Johnson in total scoring, ended the season with 126 points. Ron Bissonette, the tallest player on the team was consistent and top rebounder on the squad.

Coach Jack Wilkins, who was in his first year of coaching at San Dieguito, will have all of this year's team back with the exception of Johnson, Fleming, Bissonette, and Montez who will have the opportunity to play Varsity ball next season.

"B" & "C" TRACK

Row One: D. Palmer, D. Barnhart, J. Sheetz, I. Wood, J. Fowler, G. Amtmann; Row Two: J. Martin, J. Cox, I. Gross.

San Dieguito's B track squad had a very disappointing year as they went victoryless in nine meets. The C team, though, had a fine 4 win—5 loss season, with 3 victories and 3 defeats coming in league competition. This league record represents the best of any athletic team at San Dieguito this year, not including baseball.

Both the B's and C's dropped their first two meets. The B's lost 83-12 to their first opponent, Mission Bay, and they lost 81-14 to El Cajon. The C's were downed in their first and second outings, with scores of 49-28 and 23-54 respectively.

Against their third foe of the season, Chula Vista, the B's were dropped 73-18; but the C's won easily, the score being 57-20.

The first two meets in league play ended with both teams being on the losing side. To Oceanside the B's lost with a score of 60-33, and the C's, 40-37. The B's lost to Vista, 71½-22½, and the C's lost, 46-31.

Against Fallbrook the B's were downed, 68-23, but the C's were victorious, 62-15.

The B's made their best showing of the year against Coronado when they were nipped by only a 49-45 tally. The C's, though, made their worst showing as they lost, 66-10. However, in this meet, most of the better C's ran for the B's leaving the C's very weak.

The C's won their last two meets over Mar Vista, 59-18, and 54-23 over Escondido. The B's lost by scores of 67-22 and 82-12 to close out the season.

The B's who were outstanding this year were George Darrrough and David Barajas, dashes; Dick Barnhart, 660; Darrell Lewis, hurdles;

Steve Bowman, high jump and pole vault; and Al Thomas, shot put. Other competitors who turned in good efforts were Gunter Amtmann, 660, Robert Clemens, 1320 and high jump; Robin Allen, shot; and Ivan Wood, pole vault.

The C's had many outstanding men: In the 100 and 180 dashes, John Martin, Dave Rightmer, and Jim Mitchell were tops. Gunter Amtmann and Irvin Gross were the best 660 men. Amtmann won every time he ran the event, 6 times in C competition and 2 times in the B division.

In the 120 low hurdles, Jim Fowler and Gaylord Odle stood out. Ivan Wood, Jim Dean, and Stan Estrada were the key pole vaulters; and Ricky Montes the best high jumper.

Fowler and Odle were the best in the broad jump and Estrada and Martin in the shot.

Three school records were broken by the C's this past year.

Before the season started, the record in the 100 was 10:9. Mitchell then lowered it to 10:8, but Rightmer lowered it even further as he ran it in 10:5, which is now the record.

The original shot put record was 42 feet before Estrada pushed the 8 pound ball 45'5" against Mar Vista.

The 440 relay record was bested in the Escondido meet when the combined speeds of Mitchell, Fowler, Martin, and Rightmer broke the old record by 7/10 of a second in the time of 47:6.

In post season meets, this relay team a second in the Mustang Relays and a second in the Vista Relays, breaking the school record in the Mustang Relays. The record does not count, for the Mustangs lost.

J V BASEBALL

JUNIOR VARSITY BASEBALL TEAM—Row 1: F. Mannen, C. Myers, E. Myers, H. Smith, E. Price; Row 2: M. Hamada, B. Bruns, B. McCullough, B. Thomas, M. Stapley, B. Kunderinger, A. Jancsi, J. Daniel.

With five games left to play from the time of this writing, the San Dieguito Junior Varsity Baseball Team had a league record of one win and three losses and a seasonal record of four victories and six defeats.

The three pre-league games which the Mustangs won were those with Army-Navy, 7-4; Vista, 14-6; and La Jolla, 14-0. Their losses were at the hands of Mission Bay, 14-1; Vista, 12-7; and St. Augustine, 13-2.

In league competition, San Dieguito won a well-earned victory over Vista, 11-6, for their lone win. Their defeats were to Escondido, 6-2; Fallbrook, 5-1; Oceanside, 13-2; and Escondido again, 8-7.

During the past season, San Dieguito's hurling was done by Bill Bruns, Ed Dracar, and

Jerry Fleming. Eddie Myers and Jim Daniel handled the catching very well for the Mustangs.

The four other infield positions were played by Gene Price, first base; Mitsu Hamada, second base; Bill McCullough, short stop; and Mike Stapley, third base.

The outfielders were Bill Kunderinger, Herb Smith, Frank Mannen, Alan Jancsi, Bernie Thomas, and Jim Daniel (when he didn't catch).

San Dieguito's offense gun was Eddie Myers, who led the team in just about every batting division. Herb Smith, Mike Stapley, and Bill McCullough were the only other consistent hitters on the squad.

In a fast and furious game of hockey, the Galloping G.A.A. whipped the Faculty Freaks by a score of 1-0 before the eyes of the entire Student Body.

Also viewing the hilarious game, so ably covered by announcer Mr. Williamson, was Irene Jaronzyc, the cancer victim living in Encinitas in whose honor the game was played.
